SOFTBALL SKILLS NIGHTS

Palatine Youth Baseball/Softball is having Skills Nights this winter. All girls 12 and under who played PYB/S softball and will be playing PYB/S softball in the 2010 season are welcome. **This program is provided free of charge by PYB/S!**

On the dates listed below all girls can come to Birchwood gym and Paddock School gym to work on their softball skills. There will be parent coaches on hand. We will be concentrating on pitching, throwing, fielding, and batting for all Divisions. There is no need to sign up ahead of time. All you need to do is show up with a glove, gym shoes, wear sweatpants, and a willingness to play softball.

Parents, we do need **Volunteers** to help. If you would like to assist please contact Dale Metzger VP of Girls Softball (PYB/S) at girlsoftball@ameritech.net or at 847-308-3122.
